Commercial & Residential TOILET SEATS

Wood & Plastic

Available Features

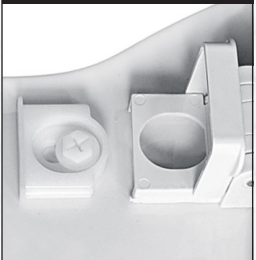

SLOW CLOSE

Slow Close

Allows for gradual soft & quiet close, preventing seat from slamming down.

EASY REMOVE

Easy Remove

Seat can be snapped off easily without unscrewing, enable easy cleaning and sanitizing.

ADJUSTABLE HINGE

Adjustable Hinge

Seat position can be adjusted front to back for perfect toilet bowl fit.

Quality. Function. Style.

Everflow combines aesthetics and comfort with innovation to provide you a premier line of wood and plastic seats. Our seats are available in full range of styles, options and colors. Easy Remove hinges allow for quick and easy cleaning. Slow Close hinges allow for gradual close without slamming. Seats are designed for a full range of residential and commercial installations, including private homes, multi family, offices buildings and hospitality.

Seats meet all applicable ANSI standards, as well as passing our own series of inspections.
